

Wayne County, North Carolina Board of Commissioners

December 17, 2024
224 E. Walnut Street
Courthouse 4th Floor
Goldsboro, NC 27530

MINUTES

8:00 A.M. AGENDA BRIEFING

During the scheduled briefing and prior to the regularly scheduled meeting, the Board of Commissioners held an advertised briefing session to discuss the items of business on the agenda.

The briefing began at 8:03 a.m. with Chairwoman Barbara Aycock reviewing the agenda.

Planning Director Berry Gray explained the purpose of the Board of Adjustment and upcoming public hearing, and the Hadley Acres Phase II Final Plat.

Finance Director Angie Boswell reviewed the budget amendments.

Staff Attorney Andrew Neal reviewed the timber sale at the Wayne County landfill, and the sale of surplus property on Gordon and Oliver Streets in Mount Olive.

Solid Waste Director Blake Stevens explained the clearing of the area for the timber sale and the purchase of the Hydro Seeder.

County Manager Chip Crumpler reviewed Work Authorization #14 for the Wayne Executive Jetport.

Members Present: Chairwoman Barbara Aycock; George Wayne Aycock, Jr.; Joe C. Daughtery; Chris Gurley; and Tim Harrell.

Members Absent: Bevan Foster; and Antonio Williams.

9:00 A.M. CALL TO ORDER - Chairwoman Barbara Aycock

The Wayne County Board of Commissioners met on Tuesday, December 17, 2024, at 9:05 a.m. in the Commissioners Meeting Room in the Wayne County Courthouse Annex, Goldsboro, North Carolina, after due notice thereof had been given.

Members present: Chairwoman Barbara Aycock, Vice-Chairman Bevan Foster, George Wayne Aycock, Jr.; Joe C. Daughtery; Chris Gurley, Tim Harrell; and Antonio Williams.

Members absent: None

INVOCATION - Commissioner Chris Gurley

Commissioner Chris Gurley gave the invocation.

PLEDGE OF ALLEGIANCE - Commissioner Joe C. Daughtery

Commissioner Joe C. Daughtery led the Board of Commissioners in the Pledge of Allegiance to the Flag of the United States of America.

APPROVAL OF MINUTES

1. Motion to Approve November 19, 2024, and December 2, 2024, Minutes.

Upon motion of Commissioner George Wayne Aycock, Jr., the Board of Commissioners unanimously approved the November 19, 2024, and December 2, 2024, minutes.

DISCUSSION/ADJUSTMENT OF AGENDA

2. Motion to Approve the Adjusted Agenda for December 17, 2024.

County Manager Chip Crumpler made the following adjustments to the agenda:

- Add the Memorandum of Understanding between the County of Wayne and Wayne County Development Alliance (WCDA), with appropriate budget amendment, as #18 on the Consent Agenda.

Upon motion of George Wayne Aycock, Jr., the Board of Commissioners unanimously approved the Adjusted Agenda for December 17, 2024.

SPECIAL PRESENTATIONS

3. Presentation of the Wayne County Hero Spotlight by Jay's Kitchen.

Assistant County Manager Ginger Moore presented the Wayne County Hero Spotlight by Jay's Kitchen to Cooperative Extension Director Michelle Estrada.

Chairwoman Barbara Aycock presented a plaque to out-going Chairman Chris Gurley for his service as chairman from December 2023 to December 2024.

APPOINTMENT COMMITTEE

4. Motion to Reappoint Martha Bryan as Senior Tar Heel Legislator and Sue Carter as the alternate.

Upon motion of Commissioner Joe C. Daughtery, the Board of Commissioners unanimously approved to reappoint Martha Bryan as Senior Tar Heel Legislator and Sue Carter as the alternate.

5. Motion to Appoint Jessica Drennen to the Juvenile Crime Prevention Council, replacing Melissa Reese of Trillium.

Upon motion of Commissioner Joe C. Daughtery, the Board of Commissioners unanimously approved to appoint Jessica Drennen to the Juvenile Crime Prevention Council, replacing Melissa Reese of Trillium.

6. Motion to Appoint Freeman Hardison, Jr., and Dr. Joe Democko to the Wayne Health Corporation Board of Directors, replacing Kate Daniels and Dr. Anthony Hamm, whose terms have expired.

Upon motion of Commissioner Joe C. Daughtery, the Board of Commissioners approved to appoint Freeman Hardison, Jr., and Dr. Joe Democko to the Wayne Health Corporation Board of Directors, replacing Kate Daniels and Dr. Anthony Hamm, by a vote of six to one, with Foster voting against.

7. Motion to Reappoint Jonathan Holland to the Wayne County Firemen's Relief Fund Board of Trustees.

Upon motion of Commissioner Joe C. Daughtery, the Board of Commissioners unanimously approved to reappoint Jonathan Holland to the Wayne County Firemen's Relief Fund Board of Trustees.

RECESS WAYNE COUNTY BOARD OF COMMISSIONERS MEETING

At 9:32 a.m., Chairwoman Barbara Aycock recessed the Wayne County Board of Commissioners meeting.

CONVENE WAYNE COUNTY BOARD OF ADJUSTMENT

At 9:33 a.m., Chairwoman Barbara Aycock convened the Wayne County Board of Adjustment.

Clerk to the Board Carol Bowden administered the oaths to the Board of Adjustment, attached hereto as Attachment A.

9:30 A.M. PUBLIC HEARING

8. Board of Adjustment Public Hearing to receive public comment on the Special Use Permit request by Anita Rouse to establish a childcare center at 3750 S US Hwy 117
Alt. The Board may choose to take action following the Public Hearing.

At 9:33 a.m., Chairwoman Barbara Aycock opened the Public Hearing.

Clerk to the Board Carol Bowden administered the oath to Planning Director Berry Gray and permit applicant Anita Rouse.

Mr. Gray explained the special use request. Anita Rouse answered questions from the board, stating her facility would be limited to 35 to 45 children from birth to five years of age. She stated she did not anticipate traffic issues, though the location was across the road from a school entrance. No one else presented themselves for comments.

At 9:41 a.m., Chairwoman Barbara Aycock closed the Public Hearing.

Upon motion of Commissioner Antonio Williams, the Board of Commissioners unanimously approved the Special Use Permit request by Anita

Rouse to establish a childcare center at 3750 S US Hwy 117 Alt., attached hereto as Attachment B.

ADJOURN WAYNE COUNTY BOARD OF ADJUSTMENT

At 9:42 a.m., Chairwoman Barbara Aycock adjourned the Wayne County Board of Adjustment.

RECONVENE WAYNE COUNTY BOARD OF COMMISSIONERS MEETING

At 9:42 a.m., Chairwoman Barbara Aycock reconvened the Wayne County Board of Commissioners meeting.

CONSENT AGENDA

Upon motion of Commissioner Joe C. Daughtery, the Board of Commissioners approved the Consent Agenda by a vote of six to one, as detailed below, with Foster against,

9. Late Present Use Value Application
10. Late Property Tax Exemption Application
11. Budget Amendments
#159-Sheriff's Office/#160-HD/#162-HD/#164-Sheriff's Office/#166-Finance/#167-Sheriff's Office/#169-Finance/Amendment to Grant Project Ordinance #8-ARP/#170-Finance
12. Motion to Approve the Final Plat for Hadley Acres Phase 2.
Attached hereto as Attachment C.
13. Motion to approve the sale of County owned timber on 39.84 acres at the Wayne County Landfill pursuant to the provisions of NCGS § 160A-269.
Attached hereto as Attachment D.
14. Motion to Approve Budget Modification to complete the approved purchase of a Hydro Seeder; originally budgeted in the CIP but the actual cost is \$102,387.50. This will not require a budget amendment but simply approval to use existing funds to complete the purchase.
Attached hereto as Attachment E.
15. Motion to adopt a resolution declaring surplus real property and approving the sale of property jointly owned by the County and the Town of Mount Olive located on Gorden and Oliver Streets in Mount Olive (PINs: 2572958034 & 2572949909).
Attached hereto as Attachment F.
16. Motion to Adopt Resolution #2024-32: A Resolution Authorizing Wetzel Pyrotechnics to use Pyrotechnics for the Mount Olive Pickle Drop on December 31, 2024, in the Town of Mount Olive, pending approval from the Wayne County Inspections Department.
Attached hereto as Attachment G.

17. Motion to Approve Work Authorization #14 at the Wayne Executive Jetport for the Airfield Drainage Improvements - Phase 2 (CATEX).
Attached hereto as Attachment H.
18. Motion to Approve the Memorandum of Understanding (MOU) between Wayne County Development Alliance (WCDA) and the County of Wayne, with appropriate budget amendment.
Attached hereto as Attachment I.

PUBLIC COMMENTS

No one presented themselves for public comment.

COUNTY MANAGER'S REPORT

County Manager Chip Crumpler said he appreciated Jay's Kitchen for the Wayne County Hero Spotlight Award and congratulated Deputy Clerk Kayla Whitley on her recent graduation. He also wished everyone a safe holiday and a Merry Christmas.

BOARD OF COMMISSIONERS COMMITTEE REPORTS

Commissioner Antonio Williams thanked his constituents again and wished everyone happy holidays.

Commissioner Joe C. Daughtery announced Craig Foucht retiring from the NCEDR and thanked him for doing a great job. He congratulated Chairwoman Barbara Aycock on being elected chair and wished everyone a Merry Christmas.

Commissioner George Wayne Aycock, Jr., apologized for not making all the Christmas parades, congratulated Chairwoman Aycock and wished everyone a Merry Christmas.

Commissioner Bevan Foster congratulated EMS Director Dave Cuddeback for winning the best overall Christmas tree competition.

Commissioner Tim Harrell thanked everyone and his family for supporting his efforts to run for the Board of Commissioners. He thanked the staff for their help and wished everyone a Merry Christmas and Happy Hannukah.

Commissioner Chris Gurley congratulated Chairwoman Aycock, discussed Guillermo Estrada receiving the Patriot Award from Fox Nation, and wished everyone a Merry Christmas and Happy New Year.

CLOSED SESSION

At 8:31 a.m., upon motion of Commissioner Joe C. Daughtery, the Board of Commissioners unanimously declared itself in closed session to consult with attorneys employed or retained by the public body in order to preserve the attorney-client privilege between the attorney and the public body, which privilege is hereby acknowledged.

At 8:56 a.m., upon motion of Commissioner George Wayne Aycock, Jr., the Board of Commissioners unanimously declared itself in regular session.

At 9:42 a.m., upon motion of Commissioner Joe C. Daughtery, the Board of

Commissioners unanimously declared itself in closed session to consult with attorneys employed or retained by the public body in order to preserve the attorney-client privilege between the attorney and the public body, which privilege is hereby acknowledged.

Wayne County Citizens
Public Hearing Notice

The Wayne County Board of Adjustment will conduct a public hearing Tuesday, December 17, 2024 to consider a Special Use Permit Request. The hearing will be held at 9:30 am in the Wayne County Commissioners Meeting Room, Wayne County Courthouse Annex, 224 East Walnut Street, Goldsboro, NC. The item to be discussed:

S-24-01 – Anita Rouse has requested a Special Use Permit to open a childcare center in the Residential Agricultural-20 (RA-20) Zoning District. The property is ½ acre in size and located in Brogden Township at 3750 S US Hwy 117 Alt, Dudley and is identified as Parcel ID# 2586638029.

The public is invited to attend and speak at this hearing and/or submit any comments. Written comments before the meeting may be submitted to the Wayne County Planning Department, PO Box 227, Goldsboro, NC 27533 or berry.gray@waynegov.com. Questions may be directed to the Planning Department by calling 919-731-1650.

4. Property legal description (metes and bounds, or if subdivided, lot, block, subdivision plat book and page number) Residence
5. Owner's intended use of property if it is reclassified: Licensed Childcare Center

6. Explain in detail why you think this petition should be approved: _____

This petition is in response to an official report published by the Center for American Progress (CAP), that identifies Dudley, NC as a Child Care desert. Areas where there are too few licensed slots for the number of children who need care are known as child care deserts. With that being said, approval of this petition will assist with meeting the need for child care services as identified in the report. The proposed location for our licensed child care center, Kids Kingdom Academy is conveniently located in the heart of the community where child care services are needed the most. Kids Kingdom Academy will provide early learners with a strong biblical and academic foundation that will not only promote kindergarten readiness but aid in their success throughout their educational journey. In addition, another one of the greatest benefits of permitting our childcare center in this close-knit community, will be the opportunity for employment for residents, as well as providing a critical resource that will assist working Parents in obtaining and maintaining consistent employment. If given the opportunity, Kids Kingdom Academy would be honored to be a part of the thriving community of Dudley, NC.

7. Name and addresses of owners whose property abuts the property in question. _____

MEMORANDUM

To: Wayne County Board of Commissioners

From: Berry Gray, Planning Director

Date: April 10, 2024

Re: Final Subdivision Plat Approval

Item: Hadley Acres Phase 2, Final
Owner/Developer: BS2 Endeavours, LLC
Surveyor: Atlantic Surveying
S Beston Road Township, New Hope Road (SR 1003)
Lots: 25

Discussion: Hadley Acres Phase 2 consists of 25 lots on 16.24 acres. The subdivision is located on S Beston Road Road, near the intersection of US Hwy 70 E. The property is located within the Outer Horizontal (OH) Overlay District and the average lot size is 16,241 sf. Building lots will utilize public water and onsite septic. The property is shown within the Urban Transition area on the Wayne County Growth Strategies Map. Improvements are complete and a NCDOT Built to Standards letter has been submitted to the County. Until the streets are accepted onto the State's secondary road system, the developer has signed a statement regarding the maintenance of the streets and right of ways.

The property is located within the following service areas:

Schools – Spring Creek HS, Spring Creek Middle, Spring Creek Elem
Water – East Wayne Sanitary District
Fire – Elroy Fire Department
EMS – Station 11
Transportation – MPO
Water Supply Watershed – No
Voluntary Agriculture District – No
Wetlands – No
Board of Commissioners District – 6

Recommendation: The Wayne County Planning Board recommends approval of the final plat.

**RESOLUTION #2024-30: A RESOLUTION DECLARING SURPLUS REAL PROPERTY
AND AUTHORIZING ITS SALE**

WHEREAS, the County owns approximately 39.84 undeveloped acres at the Wayne County Landfill containing parcel identification numbers 2576856127, 2576948614, & 2576747468 and being more particularly described in the deeds recorded in Deed Book 2541, Page 545; Deed Book 1556, Page 38; and Deed Book 961, Page 39 in the Office of the Register of Deeds for Wayne County ("Property");

WHEREAS, the County desires to the sale the timber located on the property;

WHEREAS, NCGS § 160A-269 permits the County to sell real property by upset bid, after receipt of an offer for the property; and

WHEREAS, the County has received an offer to purchase the timber on the property from 360 Forest Products, Inc. in the amount of \$26,359.00.

NOW, THEREFORE BE IT RESOLVED by the Wayne County Board of Commissioners that:

1. The Board of Commissioners declares the timber located on the property above as surplus and authorizes the sale through upset bid procedure of North Carolina General Statute §160A-269.
2. A notice of the proposed sale shall be published which shall describe the property and the amount of the offer and shall state the terms under which the offer may be upset.
3. Any person may submit an upset bid to the Wayne County Finance Office within 10 days after the notice of sale is published. Once a qualifying higher bid has been received, that bid will become the new offer.
4. If a qualifying higher bid is received, new notice of upset bid shall be published, and shall continue to do so until a 10-day period has passed without any qualifying upset bid having been received. At that time, the amount of the final high bid shall be reported to the Board of Commissioners.
5. A qualifying higher bid is one that raises the existing offer by not less than ten percent (10%) of the first \$1,000.00 of that offer and five percent (5%) of the remainder of that offer.
6. A qualifying higher bid must also be accompanied by a deposit in the amount of five percent (5%) of the bid; the deposit may be made in cash, cashier's check, or certified

check. The County will return the deposit on any bid not accepted and will return the deposit on an offer subject to upset if a qualifying higher bid is received. The county will return the deposit of the final high bidder at closing.

7. The County reserves the right to withdraw the property from sale at any time before the final high bid is accepted and the right to reject at any time all bids.
8. If no qualifying upset bid is received after the initial public notice, the offer set forth above is hereby accepted. The appropriate County officials are authorized execute the instruments necessary finalize the sale of timber to 360 Forest Products, Inc. Any final qualifying offer that is received must be approved by the Board of Commissioners.

Passed and adopted this the 17th day of December, 2024.

PUBLIC NOTICE
SALE OF COUNTY TIMBER
PARCEL IDENTIFICATION NUMBERS: 2576856127, 2576948614, & 2576747468

An offer of \$26,359.00 has been submitted to purchase timber located on approximately 35.8 acres owned by Wayne County at the Wayne County Landfill. The timber is located on the property containing parcel identification numbers 2576856127, 2576948614, & 2576747468.

Anyone wishing to upset the offer that has been received shall submit a sealed bid with their offer to the Wayne County Finance Office located at 224 East Walnut Street, Goldsboro, NC by 5:00 P.M., no later than Tuesday, December 31, 2024. At that time the County shall open the bids, if any, and the highest qualifying bid will become the new offer. If there is more than one bid in the highest amount, the first such bid received will become the new offer.

A qualifying upset bid is one that raises the existing offer at least 10% of the first \$1,000 and 5% of the remainder. All upset bids must be accompanied by a deposit in the amount of 5% of the bid. The County will return the deposit on any bid not accepted. All fees paid must be paid with either cash, cashier's check or certified check.

The Wayne County Board of Commissioners must approve the final high offer before the sale is finalized. The County reserves the right to withdraw the timber from sale at any time before the final high bid is accepted and the right to reject at any time all bids. The original offer of \$26,359.000 will be accepted if no upset bids are received.

Further information can be obtained at the Finance Office located at 224 East Walnut Street Goldsboro, NC or by phone at 919-731-1417 during normal business hours.

**RESOLUTION # 2024-31: A RESOLUTION DECLARING SURPLUS REAL
PROPERTY AND AUTHORIZING ITS SALE**

WHEREAS, the County and Town of Mount Olive have acquired a property interest a piece of property located on Gordon and Oliver Streets being identified as Lots 5 and 6 of the Sanderson Subdivision in Mount Olive having parcel identification numbers of 2572949909 & 2572958034 and being more particularly described in that deed recorded in Deed Book 1733, Page 220 in the Office of the Register of Deeds for Wayne County ("Property"); and

WHEREAS, the County and the Town of Mount Olive obtained an interest in this property through tax foreclosure proceedings; and

WHEREAS, the Staff Attorney and County Manager have recommended that this property be declared surplus and sold, following a careful review by the Staff Attorney and the Facilities Services Director that determined the County has no use for these properties; and

WHEREAS, NCGS § 160A-269 permits the County to sell property by upset bid, after receipt of an offer for the property; and

WHEREAS, the County has received an offer to purchase the property described above, in the amount of \$3,000, submitted by Christopher Michael Jones; and

WHEREAS, Christopher Michael Jones having has paid the required five percent (5%) deposit on its offer;

NOW, THEREFORE BE IT RESOLVED by the Wayne County Board of Commissioners that:

1. The Board of Commissioners declares the property described above surplus and authorizes the sale of the Property through upset bid procedure of North Carolina General Statute §160A-269.
2. A notice of the proposed sale shall be published which shall describe the property and the amount of the offer and shall state the terms under which the offer may be upset.
3. Any person may submit an upset bid to the Clerk to the Board within 10 days after the notice of sale is published. Once a qualifying higher bid has been received, that bid will become the new offer.
4. If a qualifying higher bid is received, new notice of upset bid shall be published, and shall continue to do so until a 10-day period has passed without any qualifying upset bid having been received. At that time, the amount of the final high bid shall be reported to the Board

of Commissioners.

5. A qualifying higher bid is one that raises the existing offer by not less than ten percent (10%) of the first \$1,000.00 of that offer and five percent (5%) of the remainder of that offer.
6. A qualifying higher bid must also be accompanied by a deposit in the amount of five percent (5%) of the bid; the deposit may be made in cash, cashier's check, or certified check. The County will return the deposit on any bid not accepted, and will return the deposit on an offer subject to upset if a qualifying higher bid is received. The county will return the deposit of the final high bidder at closing.
7. The County reserves the right to withdraw the property from sale at any time before the final high bid is accepted and the right to reject at any time all bids.
8. If no qualifying upset bid is received after the initial public notice, the offer set forth above is hereby accepted. The appropriate County officials are authorized to refer the matter to the City of Goldsboro by the City Council and, pending approval by said body, execute the instruments necessary to convey the property to Christopher Michael Jones.

Passed and adopted this the 17th day of December, 2024.

PUBLIC NOTICE
SALE OF COUNTY PROPERTY

An offer of Three Thousand Dollars (\$3,000.00) has been submitted for the purchase of certain property owned by the County of Wayne and the Town of Mount Olive located at the corner of Gordon Street and Olive Street in Mount Olive, NC (PINs: 2572958034 & 2572949909) more particularly described as follows:

Two lots, Numbers Five (5) and Six (6) in the Sanderson Subdivision, Mount Olive, NC as shown by survey and plat made by C. Beems, Surveyor, November 12, 1937, which pate is recorded in the office of the Register of Deeds of Wayne County in Plat Book No. 4, Page 139.

BEGINNING at a stake on Gordon Street, corner Lot No. 4 and runs S. 50 degrees and 27' E. 129.7 feet to a stake in line of Lot No. 6; thence N. 77 degrees and 49' 82.8 feet to a stake in line of Sanderson Street; thence southwardly with line of Sanderson Street 49.8 feet to a stake corner of Lot No. 7; thence southwardly with Lot No. 7, 198.45 feet to Oliver Street; thence westwardly with Olive Street 97 feet to a stake; thence with Gordon Street, S. 39 degrees and 33' 90.0 feet to the beginning. And being the same property conveyed to Gurney Roberts by deed dated November 18, 1938 and recorded in Book 200, Page 479 of the Wayne County Registry.

Persons wishing to upset the offer that has been received shall submit a sealed bid with their offer and the required deposit to the office of the Wayne County Manager, 224 E. Walnut Street, Goldsboro, NC 27530 by 5:00 P.M. on December 31, 2024. At that time the Clerk to the Board shall open the bids, if any, and the highest qualifying bid will become the new offer. If there is more than one bid in the highest amount, the first such bid received will become the new offer.

A qualifying higher bid is one that raises the existing offer at least 10% of the first \$1,000 and 5% of the remainder. A qualifying bid must raise the existing offer to an amount not less than \$3,200.00.

A qualifying higher bid must be accompanied by a deposit in the amount of five percent (5%) of the bid; the deposit may be made in cash, cashier's check, or certified check. The County will return the deposit on any bid not accepted, and will return the deposit on an offer subject to upset if a qualifying higher bid is received. If no other bids are made the original offer to purchase will be accepted.

Further information may be obtained at the Wayne County Manager's Office, 224 E. Walnut Street, Goldsboro, NC 27530 or by telephone at (919) 705-1971 during normal business hours.

**RESOLUTION #2024-32: GRANTING WETZEL PYROTECHNICS PERMISSION TO
USE PYROTECHNICS FOR THE TOWN OF MOUNT OLIVE**

WHEREAS, the Board of Commissioners of Wayne County has received a request from Wetzel Pyrotechnics for permission for pyrotechnics to be exhibited, used, and discharged in a safe and proper manner under the supervision of experts for a fireworks celebration on December 31, 2024, in the Town of Mount Olive, North Carolina, as provided by North Carolina General Statute 14-410; and

WHEREAS, it is the intention of Wetzel Pyrotechnics to use said display in a public celebration at the Mount Olive Pickle Drop; and

WHEREAS, it appears to the Wayne County Board of Commissioners that a permit to use pyrotechnics should be given for such celebration as provided by North Carolina General Statutes 14-410 and 14-413; and

WHEREAS, contingent upon the Wayne County Inspections Department approval of the fireworks display and show plan for Wetzel Pyrotechnics located at the Town of Mount Olive, North Carolina on December 31, 2024.

NOW, THEREFORE, BE IT RESOLVED by the Wayne County Board of Commissioners that Wetzel Pyrotechnics is hereby given permission to use pyrotechnics under the supervision of an expert at their public celebration to be held on December 31, 2024, contingent upon the individual or entity who will use, handle or discharge the pyrotechnics providing to the Clerk to the Wayne County Board of Commissioners a Certificate of Registration, which will be effective on December 31, 2024, proof of insurance as required by statute and the proper permits through the County of Wayne, and contingent on the approval of the Wayne County Inspections Department.

This the 17th day of December, 2024.

BLANKET ADDITIONAL INSURED ENDORSEMENT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

With respect to this endorsement, **SECTION II—WHO IS AN INSURED** is amended to include as an additional insured any person or organization whom you are required to add as an additional insured on this policy under a written contract, written agreement or written permit which must be:

- a. Currently in effect or becoming effective during the term of the policy; and
- b. Executed prior to the "bodily injury," "property damage," or "personal and advertising injury."

The insurance provided to these additional insureds is limited as follows:

- 1. That person or organization is an additional insured only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" caused, in whole or in part, by:
 - a. Your acts or omissions; or
 - b. The acts or omissions of those acting on your behalf.

A person's or organization's status as an additional insured under this endorsement ends when your operations for that additional insured are completed.

- 2. With respect to the insurance afforded to these additional insureds, the following exclusions are added to item 2. **Exclusions of SECTION I—COVERAGES:**

This insurance does not apply to "bodily injury," "property damage" or "personal and advertising injury" occurring after:

- a. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
 - b. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.
- 3. The limits of insurance applicable to the additional insured are those specified in the written contract, written agreement or written permit or in the Declarations for this policy, whichever is less. These limits of insurance are inclusive of, and not in addition to, the Limits of Insurance shown in the Declarations for this policy.
 - 4. Coverage is not provided for "bodily injury," "property damage," or "personal and advertising injury" arising out of the sole negligence of the additional insured.
 - 5. The insurance provided to the additional insured does not apply to "bodily injury," "property damage," or "personal and advertising injury" arising out of an architect's, engineer's or surveyor's rendering of or failure to render any professional services including:

- a. The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; and
 - b. Supervisory, inspection, architectural or engineering activities.
6. Any coverage provided hereunder will be excess over any other valid and collectible insurance available to the additional insured whether primary, excess, contingent or on any other basis unless a

written contract specifically requires that this insurance be primary.

When this insurance is excess, we will have no duty under **SECTION I—COVERAGES** to defend the additional insured against any "suit" if any other insurer has a duty to defend the additional insured against that "suit." If no other insurer defends, we will undertake to do so, but we will be entitled to the additional insured's rights against all those other insurers.

Change of Address (27 CFR 555.54(a)(1)). Licensees or permittees may during the term of their current license or permit remove their business or operations to a new location at which they intend regularly to carry on such business or operations. The licensee or permittee is required to give notification of the new location of the business or operations not less than 10 days prior to such removal with the Chief, Federal Explosives Licensing Center. The license or permit will be valid for the remainder of the term of the original license or permit. (The Chief, FELC, shall, if the licensee or permittee is not qualified, refer the request for amended license or permit to the Director of Industry Operations for denial in accordance with § 555.54.)

Right of Succession (27 CFR 555.59). (a) Certain persons other than the licensee or permittee may secure the right to carry on the same explosive materials business or operations at the same address shown on, and for the remainder of the term of, a current license or permit. Such persons are: (1) The surviving spouse or child, or executor, administrator, or other legal representative of a deceased licensee or permittee; and (2) A receiver or trustee in bankruptcy, or an assignee for benefit of creditors. (b) In order to secure the right provided by this section, the person or persons continuing the business or operations shall furnish the license or permit for that business or operations for endorsement of such succession to the Chief, FELC, within 30 days from the date on which the successor begins to carry on the business or operations.

Safety Procedures for Fireworks Displays

NFPA 1123 Codes are to be followed at all times.

1. Firing Procedure:

- A. Operators are to use the Pre-display checklist provided in the display paperwork. AT NO TIME are the materials to be left unattended.
- B. Upon arrival at the site, check site conditions for any hazards that may impede the safety of the display operation.
- C. Verify the site meets all distance requirements of NFPA1123 at a minimum. Add additional buffer to account for conditions.
- D. Confirm that there is adequate ingress and egress for emergency vehicles.
- E. Inspect all racks and equipment as it is coming off the truck. Any equipment that is damaged or broken is not to be used in the display.
- F. All mortar racks are to be setup and installed prior to any loading of live materials.
- G. Inspect all shells and fireworks devices such as cakes, candles, and ground effects prior to loading, or placing in the firing area. Any materials found to be damaged, or not in proper condition are not to be used in the display.
- H. All materials fuses are to be situated and secured for easy access and removal of safety caps just prior to firing.
- I. (Electric Firing) Any e-matching of materials will take place at least 50 feet from the truck holding the fireworks, and at least 100 feet from any public access. Limit the amount of materials in this area to just ONE box at a time.
- J. (Electric Firing) Once all materials are setup, no personnel are allowed within the firing area during the continuity testing. If there is a need to check contact points, or adjust materials, the firing control panel must be disabled completely before an operator enters the firing area.
- K. (Manual Firing) Operators will use fusees (flares) for ignition of shell leaders.
- L. Previously installed multiple ignition points are to be placed along Finale racks, or any chain fused sections of the display.

2. Termination and Emergency Procedures

- A. If, at any time before, or during the discharge of a display, there arises a condition that adversely affects the firing or completion of the display, the operator will IMMEDIATELY halt the display, until such a time that the condition can be either corrected, or deleted from the program.
 - 1. The AHJ will also have the authority to halt the display, should any such condition arise.
 - 2. Communications between the operator and the AHJ will be necessary to provide for the continuation of the display (if halted).

Wetzel Pyrotechnics
Kevin Wetzel
919-441-7353

**Kevin Wetzel
Wetzel Pyrotechnics**

- B. If there is a weather-related concern, the display is to be halted, or postponed, until better conditions prevail. If there is no alternative, or if conditions remain at an unsafe level, then the operator is to cancel the display, and the Rain Date option will be considered.
 - 1. All mortar racks are to be covered with tarps, plastic or other suitable materials to prevent materials from getting wet. Cakes, and other ground effects can be placed in plastic bags.
 - 2. Any materials that do become wet shall not be used and are to be placed into regulation cartons and returned to ATF approved storage.
- C. If, during the display, an errant shell or malfunction of equipment causes materials to be sent unintentionally towards the spectator area, or out of the intended fallout area, the operator will IMMEDIATELY halt the display.
 - 1. The safety of the spectators is the primary concern, and the operator is to ensure that any errant shell trajectories or malfunctions are dealt with as soon as it is safe to do so. Repositioning of the racks or dropping that part of the display will be done before resuming any firing.
 - 2. A situation of this nature could cause the rest of the display to be postponed or cancelled with the communication and cooperation of the AHJ.
 - 3. Identification of the errant materials and/or equipment is to be documented in the operators after display report.
 - 4. If there is ANY injury of any nature, to a spectator, or any other person, the display is to be halted, and the assistance of the local EMS, Fire Department, and/or other fire and life safety personnel on duty at the time is to be utilized.
- D. Ingress and Egress routes are always to be maintained and are to remain clear for emergency vehicles and personnel.
 - 1. Should there be any reason to need such access, the operator shall halt all firing, and suspend the display.
 - 2. The operator and other display personnel may assist such emergency personnel to control and contain any condition to insure the safety and security of the site.

3. Post Display

- A. Once the display has been completed, the operator will make the determination to break down the display equipment when s/he finds all conditions safe to do so.
 - 1. The operator and assistances will allow a minimum of 30 minutes for a "cool-down" period, once the display is completed.
 - a. Beginning with the mortars that were fired first, make sure that all shells and materials were discharged.
 - b. Once all racks and equipment have been cleared, the operator will approve the break down of the display.

Wetzel Pyrotechnics
Kevin Wetzel
919-441-7353

**Kevin Wetzel
Wetzel Pyrotechnics**

2. Misfired Materials
 - a. Identify any and all misfired materials.
 - b. Ensure that there are no ignition hazards present before handling. All sparks are to be extinguished, E-matches should be disconnected and shunted, and then may be carefully removed and stored.
 - c. Carefully remove materials from the discharge area.
 - d. Place materials into regulation carton, and transport back to approved ATF storage.
 - e. Record misfires in the operator's display report
- B. The operator will assist the AHJ in conducting the post display inspection and sign off on any documentation the AHJ may require.
- C. Once the inspection is completed, the operator may clear the on-duty Fire Department personnel.
- D. The entire discharge area and fallout zones are to be inspected to ensure there are no duds, misfires, or any other materials left on the display site. A full site check will also be performed early the following morning.
- E. Clean up includes removal of all equipment, paper debris, and any other items that remain as a result of the display.

A copy of the operators after display report will be provided to the local fire code official if requested.

Product Firewire Initiators
Revision Date 02/11/2016
Revision 1

Safety Data Sheet

SECTION 1: IDENTIFICATION

Product Name	Firewire Initiators
Identifier Uses	No specific first aid measures noted.
Supplier	MJG Technologies Inc. 836 Camden Avenue Blackwood, NJ 08012 Tel: 856-228-6118
Contact Person	info@electricmatch.com
Emergency Telephone	1-352-323-3500 Contract # 100588

SECTION 2: HAZARDS IDENTIFICATION

Appearance	Solid. Medium brown colored bead of pyrotechnic composition on a copper-clad chip with two PVC insulated connecting wires of various lengths. Red or blue lacquer coating on igniter head.
Color	Medium brown colored.
Odor	No odour information available.

Pictogram(s)

Signal Word	Danger
--------------------	--------

Hazard Statements	H204 Fire or projection hazard. H302 Harmful if swallowed. H332 Harmful if inhaled. H351 Suspected of causing cancer . H361 Suspected of damaging fertility or the unborn child . H372 Causes damage to organs [*] through prolonged or repeated exposure [*].
--------------------------	---

Precautionary Statements	P201 Obtain special instructions before use. P210 Keep away from heat/ sparks/open flames/hot surfaces. — No smoking. P250 Do not subject to grinding/ shock/[*]/friction. P260 Do not breathe dust/fume/ gas/mist/vapours/spray. P264 Wash hands thoroughly after handling. P270 Do not eat, drink or smoke when using this product. P271 Use only outdoors or in a well-ventilated area. P281 Use personal protective equipment as required. P301 + P312 IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell. P304 + P340 IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing. P308 + P313 IF exposed or concerned: Get medical advice/ attention. P334 Immerse in cool water/wrap in wet bandages. P370 + P380 In case of fire: Evacuate area.
---------------------------------	---

	P373 DO NOT fight fire when fire reaches explosives. P374 Fight fire with normal precautions from a reasonable distance. P405 Store locked up.
Contains	orange lead
GHS Classification	
Physical and Chemical Hazards	Expl. 1.4 - H204
Human Health	Acute Tox 4 - H302, Acute Tox 4 - H332, Carc. 2 - H351, Repr. 2 - H361, STOT RE 1 - H372,
Environment	Not classified
OSHA Regulatory Status	This product is Hazardous under the OSHA Hazard communication Standard.
Inhalation	Inhalation of large amounts of igniter heads may cause respiratory discomfort.
Ingestion	Harmful if swallowed.
Skin contact	Thermal burns to the skin caused by accidental ignition of igniters. Not absorbed through the skin.
Eye contact	Thermal burns to the eyes caused by accidental ignition of igniters .
Routes of Exposure	No Information available.
Other Hazards	Not applicable.

SECTION 3: Composition/Information on Ingredients

Name	Product Identifier	GHS Classification	%
boron	CAS-No.: 7440-42-8 EC No.: 231-151-2		10-30%
Composition Comments		Chemical names/ identifiers have been removed without affecting the overall safety information on the Safety Data Sheet.	

SECTION 4: FIRST AID MEASURES

Description of first aid measures

General Information

CAUTION! First aid personnel must be aware of own risk during rescue! Remove victim immediately from source of exposure. Provide rest, warmth and fresh air. Burns must be treated by doctors. Place unconscious person on the side in the recovery position and ensure breathing can take place. If heart stops, heart-compression must be carried out. In case of accidents: Call an ambulance immediately! Show the MSDS.

Inhalation

If this product is inhaled and symptoms occur, move the exposed person to fresh air promptly. Seek medical attention if symptoms persist.

Ingestion

Get medical attention immediately. Do NOT induce vomiting. If victim is conscious and alert, wash out mouth with water then give water. Never give anything by mouth to an unconscious person. If vomiting occurs spontaneously, keep airway clear.

Skin contact

Remove all contaminated clothes and footwear immediately unless stuck to skin. Drench the affected skin with running water for 10 minutes or longer if substance is still on skin. Transfer to hospital if there are burns or symptoms of poisoning. Consult a doctor.

Eye contact

Do not rub eye. Make sure to remove any contact lenses from the eyes before rinsing. Promptly wash eyes with plenty of water while lifting the eye lids. Get medical attention immediately. Continue to rinse. Continue to rinse for at least 15 minutes.

Most important symptoms and effects, both acute and delayed

General Information

The severity of the symptoms described will vary dependant of the concentration and the length of exposure.

Inhalation

Inhalation of large amounts of igniter heads may cause respiratory discomfort.

Ingestion

Harmful if swallowed.

Skin contact

Thermal burns to the skin caused by accidental ignition of igniters. Not absorbed through the skin.

Eye contact

Thermal burns to the eyes caused by accidental ignition of igniters .

Routes of Exposure

No Information available.

Most important symptoms and effects, both acute and delayed

Notes To The Physician

Treat Symptomatically.

SECTION 5: Firefighting Measures

Auto Ignition Temperature (°C)	No Information available.
Flammability Limit - Lower(%)	No Information available.
Flammability Limit - Upper(%)	No Information available.
Flash point	No Information available.
Extinguishing Media	Use fire-extinguishing media appropriate for surrounding materials.
Hazardous combustion products	Smoke contains Boron and Titanium.
Unusual Fire & Explosion Hazards	Burning igniters will project sparks several feet and can cause secondary fires. Igniters may rupture a container if ignited under confinement. Igniters may be ignited by extreme impact, friction or electrostatic discharge.
Special Fire Fighting Procedures	If possible, fight fire from protected position. Avoid breathing fire vapours. Keep up-wind to avoid fumes. Ventilate closed spaces before entering them. Containers close to fire should be removed immediately or cooled with water. Use water spray to cool container and prevent rupture.
Protective equipment for fire-fighters	Fire fighters should wear full protective equipment, including a self-contained breathing apparatus. Water should be used to cool surrounding containers.

SECTION 6: Accidental Release Measures

Personal Precautions	Use proper personal protection (refer to Section 8).
Environmental Precautions	Run off from fire control or dilution water may cause pollution. Keep out of drains, municipal sewers, open bodies of water and water course.
Spill Clean Up Methods	Sweep up and shovel. Contain spillage, and then collect with an electrically protected vacuum cleaner or by wet-brushing and place in container for disposal according to local regulations (see section 13). Keep in suitable, closed containers for disposal.

SECTION 7: Handling and Storage

Handling	Read and follow manufacturer's recommendations. Do not handle broken packages without protective equipment. Avoid spilling, skin and eye contact. Do not use contact lenses. Keep away from heat, sparks and open flame. Take precautionary measures against static discharges when there is a risk of dust explosion.
Usage Description	Use only according to directions.
Storage Precautions	Store igniters in accordance with local, state and federal regulations. Keep dry and avoid temperatures above 120 degree F. Store in closed container away from incompatible materials, sunlight and heat to prolong shelf life. Minimize exposure in accordance with good hygiene practices. Keep out of reach of children. Keep away from food and drink. Containers opened must be resealed and kept upright. Do not store in unlabelled containers.
Specific End Use(s)	Igniter.

SECTION 8: Exposure Controls/Personal Protection**Protective Equipment****Ingredient Comments**

No occupational exposure limits noted for the ingredients(s).

Process Conditions
Engineering Measures
Respiratory Equipment
Hand Protection

Ensure that eye flushing systems and safety showers are located close to the working place. Provide adequate ventilation. If ventilation is inadequate use a suitable respirator. The selection of the suitable gloves does not only depend on the material, but also on further marks of quality and varies from manufacturer to manufacturer. Handle with gloves. Gloves must be inspected prior to use. Use proper glove removal technique (without touching glove's outer surface) to avoid skin contact with this product. Due to risk of fire, leather footwear and cotton clothing should never be used. Long sleeved shirt, trousers, rubber boots, rubber gloves, and rubber apron.

Eye Protection

Use equipment for eye protection tested and approved under appropriate government

Hygiene Measures

standards such as NIOSH (US) or EN 166(EU).

Wash hands before breaks and immediately after handling the product. When using, do not eat, drink or smoke. Take off immediately all contaminated clothing. Avoid contact with skin, eyes and clothing.

SECTION 9: Physical and Chemical Properties

Information on Basic Physical and Chemical Properties

Appearance	Solid. Medium brown colored bead of pyrotechnic composition on a copper-clad chip with two PVC insulated connecting wires of various lengths. Red or blue lacquer coating on igniter head.
Color	Medium brown colored.
Odor	No odour information available.
Odor Threshold - Lower	No Information available.
Odor Threshold - Upper	
pH-Value, Conc. Solution	No Information available.
pH-Value, Diluted Solution	No Information available.
Melting point	No Information available.
Initial boiling point and boiling range	No Information available.
Flash point	No Information available.
Evaporation rate	No Information available.
Flammability State	No Information available.
Flammability Limit - Lower(%)	No Information available.
Flammability Limit - Upper(%)	No Information available.
Vapor pressure	No Information available.
Vapor Density (air=1)	No Information available.
Relative density	No Information available.
Bulk Density	No Information available.
Solubility	No information available.
Decomposition temperature	No Information available.
Partition coefficient; n-octanol/water	No Information available.
Auto Ignition Temperature (°C)	No Information available.
Viscosity	No Information available.
Explosive Properties	Bead of pyrotechnic composition on a copper-clad chip with two PVC insulated connecting wires of various lengths.
Oxidizing Properties	No Information available.
Molecular Weight	No Information available.
Volatile Organic Compound	No Information available.

SECTION 10: Stability and Reactivity

Reactivity	Reaction with heat, acids and reducing agents.
Stability	Stable under normal temperature conditions and recommended use.
Hazardous Polymerisation	Will not polymerise.
Hazardous Decomposition Products	Smoke contains oxides of Boron and Titanium.
Conditions to Avoid	Avoid contact with strong oxidisers. Avoid heat, flames and other sources of ignition.
Materials to Avoid	Keep away from strong acids. Keep away from strong reducing agents and strong oxidising agents.

SECTION 11: Toxicological Information

Toxicological Information	No toxicological information for the overall finished product.
Acute Toxicity (Oral LD50)	No Information available.
Acute Toxicity (Dermal LD50)	No Information available.
Acute Toxicity (Inhalation LC50)	No Information available.
Skin Corrosion/Irritation	No Information available.
Respiratory Sensitisation	No Information available.
Skin Sensitisation	No Information available.
Reproductive Toxicity:	No Information available.
Germ Cell Mutagenicity:	
Genotoxicity - In Vitro	
Genotoxicity - In Vivo	
Carcinogenicity:	
Carcinogenicity	No Information available.
NTP - Carcinogenicity	The product and its components are not listed.
OSHA - Carcinogenicity	The product and its components are not listed.
IARC Carcinogenicity	The product and its components are not listed.
Specific Target Organ Toxicity - Single Exposure:	
STOT - Single Exposure	No Information available.
Specific Target Organ Toxicity - Repeated Exposure:	
STOT - Repeated Exposure	No Information available.

SECTION 12: Ecological Information

Ecotoxicity	The product does pose an environmental hazard.
Acute Toxicity - Fish	No Information available.
Acute Toxicity - Aquatic Invertebrates	No Information available.
Acute Toxicity - Aquatic Plants	No Information available.
Degradability	There are no data on the degradability of this product.
Bioaccumulative Potential	No data available on bioaccumulation.
Mobility	No information available.
Results of PBT and vPvB Assessment	No information available.
Other Adverse Effects	No information available.

SECTION 13: Disposal Considerations

Waste Management	When handling waste, consideration should be made to the safety precautions applying to handling of the product.
-------------------------	--

Disposal Methods

Waste disposal must be in accordance with appropriate federal, state, and local regulations.

SECTION 14: Transport Information**UN Number**

UN No. (DOT/TDG)	UN454
UN No. (IMDG)	UN454

Safety Data Sheet

1. IDENTIFICATION

Last revision – May 10, 2018

Product Identifier – Fireworks, 1.4 Explosive UN0336

Trade Name – Consumer Fireworks

Supplier:

ZHUFU FIREWORKS CO.LTD

#1 HENGXIA, SHANGLI

PINGXIANG CITY, JIANGXI PROVINCE, CHINA

Telephone: (86) 731 83648292

Fax: (86) 731 83657292

2. HAZARDS IDENTIFICATION

Classification – Explosive

Pictogram:

3. COMPOSITION/INFORMATION ON INGREDIENTS

Percentages of each chemical used and what chemicals are included in the device are trade secrets.

The following chemicals may be used:

Potassium Perchlorate - KClO_4

Potassium Nitrate - KNO_3

Sulfur – S

Carbon – C

Aluminum – Al

Titanium – Ti

Barium Nitrate – $\text{Ba}(\text{NO}_3)_2$

Strontium Carbonate – SrCO_3

4. FIRST AID MEASURES

Swallowed: Wash out mouth with water provided person is conscious. Call a physician.

Inhaled: Take person to area with fresh air. If not breathing give artificial respiration. If breathing is difficult, give oxygen.

Skin contact: Immediately wash skin with soap and water.

5. FIREFIGHTING MEASURES

Extinguishing media - DO NOT attempt to fight fire near other fireworks.

Unusual fire and explosion hazards - If exposed to fire, articles will explode and propel burning projectiles. There is a risk of explosion if large quantities of fireworks are involved in a fire.

Firefighting equipment - In the case of a small amount on fire apply as much water as possible from as much distance as practical. Larger fires involving more than one carton require large volumes of water and extra care from fumes and debris. Evacuate fire area IMMEDIATELY and seek shelter. Follow emergency evacuation plan.

6. ACCIDENTAL RELEASE MEASURES

Personal Precautions - Wear protective equipment. Keep unprotected persons away. Remove persons from danger area. Ensure adequate ventilation. Isolate area and prevent access.

Environmental Precautions - Do not allow undiluted product or large quantities of it to reach ground water or sewage system.

Cleanup methods - Pick up while wearing proper protective equipment. Dispose of in suitable waste containers.

7. HANDLING AND STORAGE

Handling – Handle with care. Do not drop or throw. Place upright. Keep away from open flames, sparks

Storage – Avoid storage near extreme heat, ignition sources or open flames. Store in a dry and well-ventilated location. Items are best stored in original packaging. Store in accordance to all local and national regulations.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Limits of Exposure – No limits when items are in their original packaging.

Eye protection - None required when handling finished fireworks

Skin protection – Wear cotton clothing

Respiratory protection - None required when handling finished fireworks

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance – All the chemical composition is contained in paper casing

Odor - All the chemical composition is contained in paper casing

Solubility in water – Partly soluble in water

10. STABILITY AND REACTIVITY

Stability – Stable

Conditions to avoid – Avoid high temperatures, heating, open flames or ignition sources.

Do not allow items to become soaking wet

Materials to avoid – Oxidizers and flammable agents

11. TOXICOLOGICAL INFORMATION

Eyes – N/A when handling finished product. When in use, particles possibly could irritate eyes.

Skin - N/A when handling finished product. When in use, particles possibly could irritate skin.

Breathing - N/A when handling finished product. When in use, particles possibly could irritate breathing.

UN0335 1.3G Display Fireworks

Date Prepared: Feb.24th, 2017

Section 1, Identification

Each device labels:

- (1): Commodity description in both Chinese and English for CAKES
- (2): Warning labels for CAKES
- (3): Distributor name and address, Manufacturer name and address, Produce date, Country of origin

Cartons information:

Cakes shoot, Cakes item No., Packing, Cakes item name, The same information as above section 1 part (3), Warning information, Order No., UN0335 1.3G, Bill of Lading remark emergency phone number.

- Recommended use and restriction on use
- Recommended use: Explosive product for professional use for entertainment and technical purposes
- Restrictions on use: Contact manufacturer/supplier

Section 2, Hazard(s) identification

Warning label show correctly and safely display fireworks is put on each cartons and devices.

- Classification of the substance or mixture

Expl. 1.3 H203 Explosive; fire, blast or projection hazard.

- Label elements
- GHS label elements

The product is classified and labeled according to the Globally Harmonized System (GHS).

- Hazard pictograms:

GHS01

- Signal word: Danger
- Hazard statements:
H203 Explosive; fire, blast or projection hazard.

· Precautionary statements:

P210 Keep away from heat/sparks/open flames/hot surfaces. No smoking.

P250 Do not subject to grinding/shock/friction.

P280 Wear protective gloves/protective clothing/eye protection/face protection.

P373 DO NOT fight fire when fire reaches explosives.

P370+P380 In case of fire: Evacuate area.

P372 Explosion risk in case of fire.

Section 3, Composition/information on ingredients

Cakes Main ingredients:

Potassium Perchlorate— KClO_4

Potassium Nitrate— KNO_3

Sodium fluoroaluminate— Na_3AlF_6

Barium Nitrate— $\text{Ba}(\text{NO}_3)_2$

Strontium carbonate— SrCO_3

Sulfur— S

Carbon— C

Copper Oxide— CuO

Aluminum— Al

Al+Mg Alloy

Titanium—Ti

LAC— $\text{C}_{16}\text{H}_{24}\text{O}_5$

Resin— $\text{C}_{48}\text{H}_{42}\text{O}_7$

PVC— $(\text{C}_2\text{HCl})_n$

Powder of polished glutinous rice

Section 4, First-aid measures

No chemical components are released during normal handling of this device. In normal use with adequate ventilation the smoke produced should not be a problem. However, ground level smoke generated during the shooting of public display shows may contain gases which may cause irritation of eyes and mucous membranes, prolonged inhalation of smoke should be avoided.

Persons with pre-existing respiratory conditions (i.e. asthma, emphysema, etc) should avoid inhalation of smoke. Move to fresh air and avoid further exposure to smoke and seek medical assistance.

Information is only applicable to product contents, and not to product as normally supplied. This information is applicable to damaged, leaking, or spilled product as contact with contents is possible under these conditions.

-After inhalation: Supply fresh air; consult doctor in case of complaints.

-After skin contact:

Wash with soap and water.

In case of minor burns, flush with cool water.

If skin irritation is experienced, consult a doctor.

-After eye contact:

Remove contact lenses if worn.

Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor.

-After swallowing:

Unlikely route of exposure.

Do not induce vomiting; immediately call for medical help.

Section 5, Fire-fighting measures

Cool pyrotechnic devices and/or package with water and remove them if possible. Do not use suffocation methods - devices contain their own oxygen.

Fireworks will burn rapidly in the event of fire. If a large amount of fireworks are involved, allow them to burn and prevent spread of fire.

Do Not Smoke at any time when dealing with pyrotechnic devices.

- Extinguishing media

- Suitable extinguishing agents:

DO NOT fight fire when fire reaches explosives.

Flood area with water. If no water is available, carbon dioxide, dry chemical or earth may be used. If the fire reaches the cargo, withdraw and let fire burn.

- For safety reasons unsuitable extinguishing agents: None.

- Special hazards arising from the substance or mixture Explosive; fire, blast or projection hazard.

During heating or in case of fire poisonous gases are produced.

- Advice for firefighters

- Protective equipment:

Wear self-contained respiratory protective device.

Wear fully protective suit.

- Additional information:

Eliminate all ignition sources if safe to do so.

In case of fire: Evacuate area. Fight fire remotely due to the risk of explosion.

Cool endangered receptacles with water spray.

Flammability Classification: (defined by 29 CFR 1910.1200) Explosive. Can explode under fire conditions.

Individual devices will randomly explode. Mass explosion of multiple devices is possible under certain conditions. Burning material may produce toxic and irritating vapors. In unusual cases, shrapnel may be thrown from exploding

devices under containment. See 2012 Emergency response Guidebook for further information.

Section 6, Accidental release measures

Prolonged exposure to smoke generated during the shooting of this device may cause respiratory irritation, difficulty in breathing, headaches, nausea and irritation of eyes and may result in vomiting.

Carefully pick up spills with non-sparking and non-static producing tools. Supervision only by a person knowledgeable in explosives. Avoid skin contact. In case of contact with skin, wash hands immediately.

- **Personal precautions, protective equipment and emergency procedures**

Wear protective equipment. Keep unprotected persons away.

Remove persons from danger area.

Ensure adequate ventilation.

Isolate area and prevent access.

- **Environmental precautions**

Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.

- **Methods and material**

Section 7, Handling and storage

- **Handling**

- **Precautions for safe handling:**

Handle with care. Avoid jolting, friction and impact.

Restrict the quantity stored at the work place.

Keep out of reach of children.

- **Information about protection against explosions and fires:**

In case of fire: Evacuate area.

Explosion risk in case of fire.

Keep away from sparks and open flames. - No smoking.

Emergency cooling must be available in case of nearby fire.

- **Conditions for safe storage, including any incompatibilities**

• **Conditions to Avoid:** No open items, smoking and moisture in the vicinity of stored fireworks, avoid friction and impact.

• **Incompatibility:** Do not allow fireworks to get wet

- **Storage**

Store in a cool dry place, humidity should preferably be less than 70%. Avoid

extreme temperatures. In particular sub-zero temperatures where freezing and re-thaw can alter the performance of the article.

- Requirements to be met by storerooms and receptacles:

Avoid storage near extreme heat, ignition sources or open flame.

- Information about storage in one common storage facility:

Store in accordance with local/regional/national/international regulations.

Store away from foodstuffs.

Store away from flammable substances.

- Further information about storage conditions:

Store in cool, dry conditions in well sealed receptacles.

Store locked up.

Section 8, Exposure controls/personal protection

Eye Protection: None.

Respiratory Protection: None.

Skin Protection: Metal free and non-static producing clothes.

Other Protection: None.

Ventilation Recommended: Not required in open, unconfined areas.

- Control parameters

- Components with limit values that require monitoring at the workplace:

The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.

- Exposure controls

- Personal protective equipment:

- General protective and hygienic measures:

The usual precautionary measures for handling chemicals should be followed.

Keep away from foodstuffs, beverages and feed.

Wash hands before breaks and at the end of work.

- Engineering controls: Provide adequate ventilation.

Breathing equipment: Not required under normal conditions of use.

- Protection of hands: When needed, wear gloves for protection against mechanical hazards.

- Eye protection:

Safety glasses

Follow relevant national guidelines concerning the use of protective eyewear.

- Body protection: When needed, wear protective clothing for protection against mechanical hazards.

- Limitation and supervision of exposure into the environment

No relevant information available.

- Risk management measures

Organizational measures should be in place for all activities involving this product.

Section 9, Physical and chemical properties

Solubility in Water: Slight

Appearance and Odor: All pyrotechnic composition is contained in a cardboard casing. Usually they are cardboard balls or cardboard tubes individually or in a group combination.

Hazardous Decomposition Products: Smoke generated during the use of these devices may contain small amount of Carbon Monoxide, Hydrogen Sulfite and Nitrogen Oxides. Avoid prolonged inhalation of smoke.

Section 10, Stability and reactivity

Stability: Stable

Thermal Stability Test Results: The test was performed on the Lidu Display Fireworks finished items. The device did not ignite, explode, or undergo any significant decomposition during heating at 75°C (167°F) for 48 hours.

Hazardous Polymerization: Will Not Occur

Chemical stability:

- Thermal decomposition / conditions to be avoided: Risk of explosion if heated under confinement.

- Possibility of hazardous reactions Explosive; fire, blast or projection hazard.

Toxic fumes may be released if heated above the decomposition point. Reacts with strong acids and alkali.

- Conditions to avoid Excessive heat.

- Sources of ignition: sparks, open flame, incompatible materials

- Incompatible materials Oxidizers, strong bases, strong acids

- Hazardous decomposition products

Carbon monoxide and carbon dioxide

Nitrogen oxides

Sulfur oxides (SO_x)

Section 11, Toxicological information

-Information on toxicological effects

--Acute toxicity:

-LD/LC50 values that are relevant for classification: None.

-Primary irritant effect:

-On the skin:

Not a skin irritant in unused form. Vapors/particles from used product are possibly irritating to skin.

-On the eye:

Not an eye irritant in unused form. Vapors/particles from used product are possibly

Inhalation: Yes, when shooting. (Refer to above Section 6)

Skin: No.

Ingestion: No.

· Probable route(s) of exposure:

Skin contact.

Eye contact.

Inhalation.

· Acute effects (acute toxicity, irritation and corrosivity):

Danger of blast or crush-type injuries.

Risk of thermal burns.

· Repeated dose toxicity: From product as supplied: None.

· CMR effects (carcinogenity, mutagenicity and toxicity for reproduction)

· Germ cell mutagenicity: Based on available data, the classification criteria are not met.

· Carcinogenicity: Based on available data, the classification criteria are not met.

· Reproductive toxicity: Based on available data, the classification criteria are not met.

· STOT-single exposure: Based on available data, the classification criteria are not met.

· STOT-repeated exposure: Based on available data, the classification criteria are not met.

· Aspiration hazard: Based on available data, the classification criteria are not met.

Section 12, Transport information

The local inspection bureau spot check every batch of cargos before any shipments. Then issue commodity inspection certificate and dangerous goods transport package identification for us to declare to the customs.

The containers usually ship to loading port by truck or by barge. Next they will be loaded to the vessel shipping to port of discharge by sea, then ship to place of delivery by rail. At last the consignee will pick it up by truck after finish customs clearance.

UN-Number

· DOT, ADR, IMDG UN0335

- IATA FORBIDDEN
- UN proper shipping name
- DOT, ADR, IMDG Fireworks
- IATA FORBIDDEN
- Transport hazard class(es)
- **DOT**

- Class 1.3
- Label 1.3G
- **ADR**

- Class 1.3
- Label 1.3G

EMS Number: F-S,B-X

• Transport in bulk according to Annex II of MARPOL73/78 and the IBC Code
Not applicable.

Section 13 Ecological information

- **Toxicity**
- **Aquatic toxicity** No relevant information available.
- **Persistence and degradability** No relevant information available.
- **Bioaccumulative potential:** May be accumulated in organism
- **Mobility in soil:** No relevant information available.
- **Other adverse effects** No relevant information available.

Section 14 Disposal considerations

- Waste treatment methods
- Recommendation:

Must not be disposed of together with household garbage. Do not allow product to reach sewage system.

Incinerate in accordance with local, state and federal regulations.

The user of this material has the responsibility to dispose of unused material, residues and containers in compliance with all relevant local, state and federal laws and regulations regarding treatment, storage

and disposal for hazardous and nonhazardous wastes. Residual materials should be treated as hazardous.

Section 15 Regulatory information

- Safety, health and environmental regulations/legislation specific for the substance or mixture
- United States (USA)
- SARA
- Section 313 (Specific toxic chemical listings): Contact manufacturer.
- TSCA (Toxic Substances Control Act)

All ingredients are listed.

- Proposition 65 (California)
- Chemicals known to cause cancer: Contact manufacturer.
- Chemicals known to cause reproductive toxicity for females: Contact manufacturer.
- Chemicals known to cause reproductive toxicity for males: Contact manufacturer.
- Chemicals known to cause developmental toxicity: Contact manufacturer.
- Carcinogenic categories
- EPA (Environmental Protection Agency): None of the ingredients are listed.
- IARC (International Agency for Research on Cancer): Contact manufacturer.
- NIOSH-Ca (National Institute for Occupational Safety and Health): Contact manufacturer.

Section 16 Other information

This information is based on our present knowledge. However, this shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.

- Abbreviations and acronyms:

Work Authorization #14
Wayne Executive Jetport (GWW)
Wayne County, North Carolina
GWW: Airfield Drainage Improvements – Ph. 2 (CATEX)
November 18, 2024

WBS: 36237.22.TBD (FY 23 Supplemental Discretionary Funds)
Partner Connect Request Number: 5004

CONTRACT FOR PROFESSIONAL SERVICES

Dated April 21, 2021
(Expiration Date: April 21, 2025)

PROJECT DESCRIPTION

Wayne County (OWNER) wishes to proceed with Categorical Exclusion (CATEX) phase services for the Airfield Drainage Improvements – Phase 2 project at the Wayne Executive Jetport (GWW). The project is the 2nd phase of a larger and more comprehensive effort currently underway to address drainage issues on the airfield. The existing stormwater drainage from the entire airfield flows north to south, towards the Runway 5 end, and eventually off airport property on the south end of the airfield. The current drainage system includes undersized pipes under taxiways and highly eroded ditches that have nearly vertical side slopes and are very difficult to maintain. The ditches have a large amount of sediment accumulation and are sloped uphill, causing water to pond and decrease the drainage efficiency in many locations. GWW has had problems in the past with water being backed up in ditches and flooding the adjacent taxiways during large storms.

Exhibit 1 – Extended Environmental Study Area for Phase 2

The CATEX is needed to achieve compliance with the National Environmental Policy Act (NEPA). A CATEX was previously completed for the first phase of improvements and was approved on March 7, 2024. The extended environmental study area for the Phase 2 Airfield Drainage Improvements are shown in green in Exhibit 1 above.

Grant administration services have been excluded from this work authorization. It is anticipated that these services will be included with design and bidding services in a future amendment and combined in one grant.

The below scope of services outlines Categorical Exclusion (CATEX) services to be provided by WK Dickson (ENGINEER) to assist the OWNER with this project. This scope of work and fee estimate includes the work that is known to be required for this project as defined below:

SCOPE OF SERVICES

Basic Services

The ENGINEER will provide the Basic Services listed below and in accordance with Section I of the General Provisions of the Contract for Professional Services, April 21, 2021.

1. **Categorical Exclusion (CATEX):** Categorical Exclusion (CATEX) services shall generally consist of the following items to achieve NEPA compliance:
 - a. Project management.
 - b. Interagency scoping will be conducted to notify agencies of the proposed work to assess anticipated impacts of specific resources. Scoping efforts include and are not limited to notification to the State Clearinghouse, US Army Corps of Engineers and US Fish and Wildlife Service. A site visit will be performed to assess potential impacts to biological and aquatic resources including Waters and wetlands of the U.S (WOTUS).
 - c. Prepare CATEX: It is anticipated that a Documented Categorical Exclusion will be issued for the project and will be prepared in accordance with FAA Order 1050.1 Environmental Impacts: Policies and Procedures, FAA Order 5050.4, National Environmental Policy Act (NEPA) Implementing Instructions for Airport Actions and FAA Environmental Desk Reference for Airport Actions. Documentation will conform with the version of the form provided by FAA with ARP SOP No 5.1 (effective date June 2, 2017). This task includes response to agency comments.
 - d. Once the CATEX document has been completed, it will be submitted to the Division of Aviation (DOA) for review and approval.

DELIVERABLES

The ENGINEER will provide the following project deliverables to the OWNER and DOA:

1. PDF copy of CATEX document with DOA approval

FEE SCHEDULE

The above services shall be provided and billed according to the below Fee Schedule:

Basic Services

Categorical Exclusion (CATEX)	Lump Sum	\$9,889
-------------------------------	----------	---------

The total fee of all work is in the amount of \$9,889 and is summarized in Attachment 'A'. Miscellaneous additional work required but not contained in the above scope of services will be paid for in accordance with the current rate schedule at that time and will be subject to prior approval by the OWNER.

E-VERIFY

The Contractor and any of its subcontractors must comply with the requirements of the North Carolina General Statutes, if applicable, which require certain employers to verify the work authorization of each newly hired employee through the federal E-Verify program operated by the United States Department of Homeland Security and other federal agencies.

All other provisions of the Contract for Professional Services dated April 21, 2021 shall remain in full force and effect and unmodified other than as noted herein.

MEMORANDUM OF UNDERSTANDING

THIS agreement made and entered into as of the 17th day of December, 2024 by COUNTY OF WAYNE ("County"), a body politic and corporate organized under the laws of the State of North Carolina and WAYNE COUNTY DEVELOPMENT ALLIANCE INC., ("WCDA") a non-profit corporation organized under the laws of the State of North Carolina.

WITNESSETH

WHEREAS, the County and WCDA desire to work together to promote job creation opportunities, wage growth, and economic development in Wayne County;

WHEREAS, the County provides significant operational and project-based funding to WCDA as part of the County's annual budget;

WHEREAS, the County and WCDA wish to clarify the roles and responsibilities of the County and the WCDA;

WHEREAS, the Parties wish to memorialize certain policies with respect to the operational relationship between the County and the WCDA; and

NOW, THEREFORE, in consideration of the mutual covenants contained herein the parties hereto agree as follow:

1. The President of WCDA shall serve at the pleasure of the WCDA Board of Directors per the WCDA bylaws. WCDA will be solely responsible for the President's salary.
2. Wayne County Government, as part of its annual budget appropriations, agrees to contribute \$25,000 in direct appropriation annually to the WCDA capital campaign. The funds will be used to cover a portion of the salary expenses incurred by WCDA since the County no longer fully funds the operational cost as outlined in the original MOU which included staff salaries and benefits. This amount is to be pro-rated for the 2024-25 fiscal year. WCDA may request additional operational funding during the budget process. These requests must be approved by the Wayne County Board of Commissioners.
3. As an in-kind donation, Wayne County Government agrees to provide office space, meeting space, utilities, and facility support sufficient for WCDA operations which are to be collocated with the Wayne County Government Existing Industry Director. Wayne County government shall also provide secure server space with regular backups and firewalls necessary to secure WCDA files.
4. WCDA Investor Funds shall be executed and administered by the WCDA President, under the authority and direction of the WCDA Chairman and its Board of Directors.

Execution of WCDA funds shall require signatures of the WCDA President and the County Manager acting as the WCDA Treasurer. In the event that the President or Treasurer are unavailable one signature may be the Chairman or Vice-Chairman.

5. As necessary, WCDA and Wayne County will enter into individual agreements with respect to specific economic development projects and property acquisitions. These agreements will outline funding obligations of both the WCDA and County and dictate the use of any proceeds from joint projects.
6. The WCDA Board shall continue to operate as outlined by the by-laws of the organization.
7. In the event that any matter is not addressed in this MOU, but such matter is addressed in the Bylaws of the Nonprofit, or if any provision of this MOU is in conflict with any provision of the Bylaws of the Nonprofit, then the subject provision as set forth in the Bylaws of the Nonprofit, shall control and have priority over any provision of this MOU.
8. This MOU and the obligations created hereunder take effect and become binding immediately upon the execution and delivery of this MOU by all the parties.

This MOU expires at the later of:

- a) Midnight, local time for Goldsboro, North Carolina, on June 30, 2026, or any agreed upon extension thereof; or
- b) Upon the failure of the County to make an annual appropriation in any year of a sufficient amount to effectively carry on operations of the economic development support program at the scope and extent of the support program efforts in the previous year, as determined by the Board of Directors of the Nonprofit.
- c) Upon the failure of any party to fulfill any obligation hereunder.

Notwithstanding the foregoing, the parties may by unanimous consent at any time terminate this MOU and the joint undertakings contemplated herein.

After the expiration or termination of this MOU, none of the parties shall have any continuing obligations to another by reason of this MOU, except for any such obligations as by their terms continue beyond the expiration or termination of this MOU.

Any party may, in its sole discretion, withdraw from this MOU by giving notice of withdrawal to each of the other parties. Any withdrawal will be effective on the next July 1 following the last date notice is received by another party.

9. To the extent permitted by law, each party will indemnify, protect and save the other parties and their respective officers and employees harmless from all liability, obligations, losses, claims, damages, actions, suits, proceedings, costs and expenses, including reasonable attorneys' fees, arising out of, connected with, or resulting directly or indirectly from the negligent or intentionally wrongful actions of the indemnifying party (or its officers, employees or other agents) related to this MOU or to the transactions contemplated by or relating to this MOU. The indemnification arising under this provision will survive the MOU's termination. This MOU may not be changed except in writing and signed by all parties.
10. Subject to the specific provisions of MOU, this MOU is binding upon and insures to the benefit of, and is enforceable by, the parties and their respective successors or assigns.
11. No officer, agent or employee of any party shall be subject to any personal liability or accountability by reason, of the execution of this MOU or any other documents related to the transactions contemplated hereby. Such officers, agents, or employees shall be deemed to execute such documents in their official capacities only, and not in their individual capacities. This Section shall not relieve any such officer, agent or employee from the performance of any official duty provided by law.
12. There are no entities which are, or which are intended as, third-party beneficiaries of this MOU.
13. This MOU may be executed in several counterparts, including separate counterparts. Each will be an original, but all of them together constitute the same instrument.
14. This MOU constitutes the entire agreement between the parties with respect to the general subject matter covered hereby.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first above written.
