I am writing to explain why I am applying for property tax assistance for my home.

A few months ago, my son-in-law was declared disabled by the Army and filled out the required forms—one of which was for a property tax reduction. When he saw the requirements, he realized I qualified as well and suggested I apply too; I hadn't known I was eligible, which is why I am submitting this request now.

Thank you for any assistance you can provide.

Subject: Request for Consideration of Late Filing for NCDVA-9 and AV-9 Forms

Dear Sir or Madam,

I respectfully request consideration regarding the late filing of my NCDVA-9 and AV-9 forms.

Unfortunately, I was unable to submit the required forms prior to the June filing deadline due to circumstances beyond my control. As part of the filing process, I needed assistance from the local Veterans Service Officer; however, the Veterans Service Officer was out of the office for approximately seven days during the period when I was attempting to complete the necessary paperwork.

Additionally, I serve as an Environmental, Health, and Safety (EHS) Manager and was required to travel to and work at our company's facility in the Atlanta, Georgia area. What was originally expected to be a short assignment was extended for several weeks due to ongoing operational needs, inspections, and regulatory compliance activities. As a result, I was unable to return to Wayne County in time to complete and submit the forms before the deadline.

I have always made every effort to comply with filing requirements and did not intentionally delay the submission of these documents. Upon returning and obtaining the necessary assistance, I promptly took steps to complete the filing process.

I respectfully request that Wayne County consider these circumstances and accept my late filing or provide any available relief. I appreciate your time and consideration of this matter and am happy to provide any additional information or documentation that may assist in your review.

Thank you for your understanding and consideration.

Respectfully,

14 July 2026

TO: Wayne County Board of Commissioners

FROM: Lucius Turner

SUBJECT: Request for Retroactive Application of Disabled Veteran Property Tax Exclusion

Dear members of the Board of Commissioners, I respectfully request consideration for the retroactive application of the North Carolina Disabled Veteran Property Tax Exclusion for my primary residence located at: 401 Cedar Road, Goldsboro N.C. On 7 July 2026, I received notification from the U.S. Department of Veterans Affairs that I have been awarded a 100% Permanent and Total service connected disability rating. The VA decision established an effective date of March 2025. A copy of my VA award letter is enclosed for your review.

Although I became eligible for the Disabled Veterans Property Tax Exclusion as of March 2025, I was unable to submit my application before the June 1 filing deadline because I did not receive the VA determination until after that date. As a result, I respectfully request that the County consider granting relief retroactive to the effective date of my eligibility, March 2025, or provide any available remedy that would allow adjustment of the property taxes assessed during the period for which I was qualified.

As a retired veteran who has been found to be totally and permanently disabled due to service-connected conditions, I am grateful for the benefits provided by the State of North Carolina and Wayne County. I respectfully ask the Board to review my circumstances and consider an exception, adjustment, refund, or other relief authorized under applicable law.

Thank you for your time, consideration, and service to the residents of Wayne County. I would appreciate any guidance regarding additional documentation or forms that may be required.

Respectfully

9. UTILITIES. Lessee agrees to pay all electric service charges through electric meters in its name, and for the electric current used by it in its operation. Lessee further agrees to pay

for any other utility services for heat, water, sewer, or air conditioning used by it in its operation, and to provide its own janitorial service. Lessee shall pay for any phone, cable, or internet service in its name.

10. SIGNS. Lessee may install on the demised property only such signs as may be approved by Lessor, which approval shall not be unreasonably withheld. Lessor is deemed to have approved all existing signage installed as of the date hereof.

11. LESSOR'S ENTRY. Lessor shall have the right to enter upon the demised property at reasonable times during the term of this Lease for the purpose of inspection, maintenance, repair, alteration, and to show the same to prospective tenants or purchasers.

12. ASSIGNMENT AND SUBLEASE. Lessee may not assign this Lease or sublet the demised premises or any portion thereof without the prior written consent of Lessor.

13. TERMINATION AND DEFAULT.

a. If Lessee shall continue in default in the payment of any rental or other sum of money becoming due hereunder for a period of thirty (30) days after notice of such default has been given to Lessee, or if Lessee shall default in the performance of any other covenant of this Lease and does not remedy such default within thirty (30) days after written notice thereof or does not within such thirty (30) days commence such act or acts as shall be necessary to remedy such default, then in any such event Lessor shall have the right and option to terminate this Lease without forfeiture, waiver, or release of Lessor's rights to any sum of money due or to become due.

b. If Lessor shall (i) fail to perform any of the covenants or conditions of this Lease, or (ii) if any of its representations and warranties in this Lease shall prove to be materially untrue (individually or collectively, a "default"), then, if Lessor does not cure any such default within thirty (30) days after written notice shall have been given to Lessor (or such longer period as may be necessary to cure such default so long as Lessor initiates such cure within said thirty (30) day period and diligently pursues the same to completion), then Lessee may at its option, in addition to any other remedies available to Lessee at law or equity, may cancel this lease and terminate all of its obligations hereunder so long as Lessee is not otherwise in default of its obligations under this Lease.

14. REMEDIES CUMULATIVE - NONWAIVER. No remedy herein or otherwise conferred upon or reserved to Lessor or Lessee shall be considered exclusive of any other remedy, but the same shall be distinct, separate and cumulative and shall be in addition to every other remedy given hereunder, or now or thereafter existing at law or in equity or by status; and every power and remedy given by this Lease to Lessor or Lessee may be exercised from time to time as often as necessary for Lessor or Lessee to exercise any right or power arising from any default on the part of the other and such action shall not impair any such

right or power, nor shall such action be construed to be a waiver of such default or an acquiescence thereto.

15. **PARTIAL DAMAGE.** If any building demised to the Lessee shall be partially destroyed by fire or other casualty, the same shall be repaired by the Lessor and a proportionate part of the rent, abates for the proportionate square footage rendered unfit for use by the Lessee, shall abate until the same is fully repaired or rebuilt to the satisfaction of the Lessee, provided however the Lessor may determine not to repair and terminate the lease if the total damage is greater than twenty-five percent of the total value of the building.

16. **FEDERAL AVIATION ADMINISTRATION REGULATIONS AND CANCELLATION**

a. This Lease is subject to the regulations of the Federal Aviation Administration. Invalidation of one or more of the terms and conditions of this lease by reason of a conflict with the regulations of the Federal Aviation Administration will not invalidate the remaining terms and conditions of the lease.

b. Lessee in the operation and use of the facilities hereby leased on Wayne Executive Jetport, will not on the grounds of race, color, gender, or national origin discriminate against any person or group of persons pursuant to federal law. Lessee hereby grants to the Lessor the right to take such action as the United States Government may direct to enforce the above nondiscrimination covenant.

c. Lessee may cancel this Lease and terminate all its obligations in the event that Lessee is unable to use the premises for a period in excess of thirty (30) days because of the issuance of any order, rule, or regulation by the Federal Aviation Administration or any other government agency.

17. **GOVERNMENTAL IMMUNITY.** By entering into this Lease, Lessor does not waive its right to rely on the doctrine of sovereign immunity if a claim is brought against Lessor alleging any tortious or negligent action on the part of Lessee, its students, invitees, agents, or employees.

18. **HOLDING OVER.** If Lessee remains in possession of the demised property or any part thereof after the expiration of the term of this Lease with Lessor's acquiescence and without any written agreement of the parties, Lessee shall be only a tenant at will, and there shall be no renewal of this Lease or exercise of an option by operation of law.

19. **WARRANTY.** Lessor covenants and represents that it is the owner of the demised property and that Lessee shall peacefully and quietly hold and enjoy the demised property for the full term hereof.

20. **NATURE AND EXTENT OF LEASE.** This instrument contains the complete agreement of the parties regarding the terms and conditions of the Lease of the demised property, and there are no oral or written conditions, terms, understandings or other agreements pertaining thereto which have not been incorporated herein. This instrument creates only

the relationship of Lessor and Lessee between the parties hereto and shall not impose upon either party hereto any obligations or restrictions not herein expressly set forth.

21. COUNTERPARTS. This Lease may be executed in any number of counterparts, each of which will be deemed an original, and all of which together will constitute one instrument.

CDBG APPLICATION PUBLIC HEARING #1 SCRIPT SAMPLE

This public hearing will provide an explanation and description of funding available under the Small Cities Community Development Block Grant (CDBG) Program, sponsored and administered by the North Carolina Department of Commerce, Rural Economic Development Division. The purpose of this public hearing is to obtain citizens' views, allow response from the public on proposed funding, and to answer any questions posed by citizens.

In general, CDBG activities must meet at least one national objective of benefiting low- and moderate-income persons or preventing or eliminating slums or blight. Project activities must benefit at least 51% low- and moderate-income persons for an area-wide project benefit, and 100% low- and moderate-income person for direct benefit. Low- to moderate-income households are defined as those households with income at 80% or less of the median income of the county. Area-wide benefit could include such activities that benefit communities – for example, neighborhood parks. Direct benefit includes activities that directly benefit individuals – for example, housing rehabilitation.

The type of activities that can be funded with CDBG funds in North Carolina are water and sewer infrastructure, neighborhood revitalization, and economic development projects, and administration of the above activities.

Applications are anticipated to be submitted to the Rural Economic Development Division in October of 2026.

Another public hearing will be held once specific project activities are identified and prior to application submittal by the County of Wayne.

The floor is open for comments and questions about the CDBG program.
